31.058.700	additional charge for powdercoating steel construction in a RAL colour

**FALCOBLOC RANGE**

The FalcoBloc range of products are very popular due to their absolute simplicity of design and quality of construction. An incredibly sharp and neat design, the FalcoBloc is a versatile shape and blends well into both modern and traditional settings.

Manufactured from FSC certified hardwood and robust steel framework, hot dip galvanised to BS EN ISO 1461, the FalcoBloc can be utilitarian in style or when powder coated in any of the 192 standard RAL colours, create a real dominant statement.

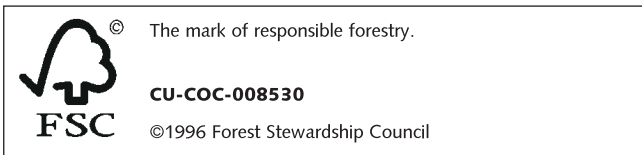

The framework is manufactured in 80mm square section and all the products in the range can be supplied either free standing or with an additional strip for bolting to a concrete base.

**1 FALCOBLOC BENCH**

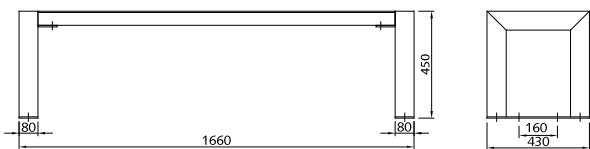

The FalcoBloc bench without a back is a really functional and versatile product: length 1,660mm, sit height 450mm, depth 430mm.

**2 FALCOBLOC SEAT**

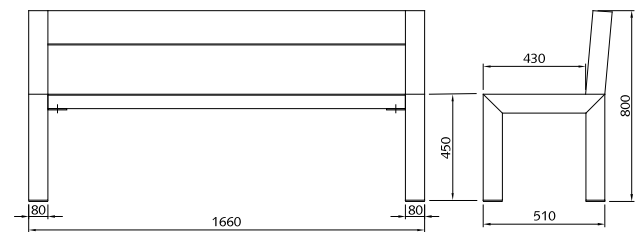

The FalcoBloc seat with a back provides that extra chunk of comfort: length 1,660mm, overall height 800mm, sit height 450mm, depth 510mm.
