THE PLANETS

The Mars and Venus benches are very attractive modular seating systems with a robust and distinctive frame design. Perfect for trails, paths or promenades where a short breather is required before you continue your walk, or there's a view well worth a stop.

All steel parts are hot dip galvanised and polyester powder coated in a choice of 11 standard colours. Supports are designed to be bolted to a concrete pad or concrete feet are available. Price is per m.

1 MARS

The Mars seat is a straight bench with laser cut trapezoidal supports 12mm thick spaced 1,000mm apart. Supports have pierced hole design. Seat is manufactured from 7 Iroko hard wood slats.

2 VENUS

The Venus seat is the curved sister of the Mars bench with identical laser cut trapezoidal supports 12mm thick spaced 1,000mm apart. Supports have pierced hole design. Seat is manufactured from 7 Iroko hard wood slats.
