NIAGRA

Traditionally designed park seat manufactured to modern standards. With a reclined backrest, the Niagra seat is extremely relaxing and ideal for open spaces and green areas where parents need a good sit down!

The seat comprises of a back supporting structure in laser cut 12 mm thick steel and with a front and lower rim in flat steel section measuring 80x5 mm. A flat steel plate measuring 80x3 mm is welded along the perimeter of seat and is necessary for the fastening of the seating boards.

The seat has hardwood seating boards with rounded corners, measuring 40x40 mm positioned adjacent to each other to decrease the spaces between each board to a minimum and therefore create a pleasant continuation between seat and back.

Overall dimensions:

Length 1,800-2,400 mm, height 840 mm, depth 760 mm.

Niagra, Part code 37.738.800
